*HALF DAY VOUCHER
to the value of 1000 KES*

Close the Gap HUB

We would like to invite you to come work a half day at our co-working space at Ratna Square. At Ratna Square we created a one-stop shop to help you innovate, incubate and manufacture. Our inspirational co-working space, makerspace, computer & repair shop, mini gym and soon to be Close the Gap Café are the dynamic heart for young entrepreneurs in Mombasa.

These entrepreneurs can also benefit from an incubation program Close the Gap Kenya supports. As a business professional you are most welcome to rent our space to work, to host your meetings and events, up to having your own private office.

**This is a voucher for a half day(4 hours) of working in the co-work space, it is to be used upon availability and can only be used once.*
